A collage of various A.C.E. Curriculum materials, including workbooks, maps, and educational cards, arranged in a fan-like pattern. The materials feature colorful illustrations and text, with some showing the 'A.C.E.' logo and others showing specific subjects like 'Math' and 'Science'.

CURRICULUM

FaithCoast Academy utilizes the A.C.E. Curriculum

This curriculum has been determined as superior in its overall approach to the traditional classroom setting which far too often allows significant learning gaps to be perpetuated in each student's education.

The A.C.E. curriculum excels by creating an individualized learning plan for each student which gives them the unique support that each child requires by building their learning plan from what they currently comprehend rather than simply based upon their age.

This curriculum has been successfully deployed to educate millions of students over the last 50+ years in 145 different countries across the globe.

FaithCoast Academy has selected this Christ-centered curriculum to provide students with a superior education and the tools needed to grow into the uniquely gifted individual that God created them to be.

A.C.E.'s self-instructional curriculum provides all the basic academic disciplines and instills Godly character into the lives of students. The reasons why the A.C.E. program works can be summarized in these seven key foundational concepts:

1. Integration of Biblical Principles (Scripture memory, wisdom principles)
2. Godly Character Training (A.C.E. characters, 90 character traits of Christ)
3. Mastery-Based Learning
4. Built-In Reinforced System of Learning
5. Individualized Learning
6. Development of Critical Thinking Skills
7. Socialization

Used worldwide and proven to be effective now for over 50 years, it is understandable why A.C.E. is known as THE learning tool for today—and the future! We invite you to explore the curriculum further if desired by visiting www.faithcoastacademy.com/about where you can view several informative videos.

FEE S

We recognize that charging fees in addition to tuition costs is a very common practice in a private school setting.

However, we also recognize that unexpected fees often make it difficult for families to budget.

In an effort to keep our tuition simple, straightforward, and easy on parent's budgets, we have eliminated fees wherever possible and we list these fees here for your convenience and planning.

If any of these fees create issues for your budget, simply let us know so that we can work together to create a plan that works for your family's budget.

So, what's next?

Don't decide yet. A "Free Info Pack" is helpful, but it's incomplete.

You deserve the opportunity to explore FaithCoast Academy further before you make a final decision.

So, here's our simple recommendation and request: Give yourself the opportunity to get all of your questions answered about FaithCoast Academy.

It's still a brand-new school and there's so much to discover in order to make an informed, prayerful decision.

So, we want to offer you something that we believe will support you in deciding if FaithCoast Academy is right for you.

A no-cost, no-obligation, and no pressure, personal phone call with Pastors Darius & Jane Arnold (Pastors of FaithCoast) and the founders of FaithCoast Academy.

On this call, you'll have the opportunity to ask them any and every question you may have about FaithCoast Academy (the curriculum, the student culture, tuition assistance, etc)...

You'll hear about the school's vision for impacting and educating students, and by the end of the call, you'll know exactly what steps to take next to continue the process of exploring FaithCoast Academy for your child(ren) or you'll know enough at that point to decide if FaithCoast Academy doesn't seem to be the right fit for you and your child(ren).

Are you open to this?

If so, we'd love to schedule you for an initial "Discovery Call".

If you're ready, simply visit **www.FaithCoastAcademy.com/next** to choose the day and time that works best for you!

Thank you again and we look forward to potentially welcoming your student(s) to FaithCoast Academy very soon!
